The new properties bring Anthem's portfolio up to 20 properties and marks the Oregon-based operator's entry into Wisconsin.

"Anthem Memory Care recognizes that meaningful engagement plays a key role in the quality of every resident's life," said Isaac Scott, Chief Executive Officer of Anthem Memory Care. "We are excited to welcome the new communities and look forward to sharing our tailored approach to memory care with the families, residents and staff."

With existing communities in Arkansas, California, Colorado, Illinois, Kansas, Minnesota and Ohio, they now manage over 1300 memory care beds.
